

Personal Information Protection Policy

RIKEN Innovation Co., Ltd. will endeavor to handle personal information appropriately in accordance with the Policy set forth below.

1. We will acquire personal information through appropriate procedures, including clarification of the purpose of use, and will not use the information for any purpose other than the stated purpose.
2. We will specify the purpose of use of personal information and acquire, use, and provide personal information in a fair and appropriate manner. We will also take measures to prevent the handling of personal information beyond items that are necessary to achieve the specified purpose.
3. We will take necessary and appropriate security measures to prevent leakage, loss, or damage of personal information and to correct such damage.
4. We will not disclose personal information to any third party without the prior consent of the individual to whom the information pertains.
5. When an individual requests disclosure, correction, addition, deletion, suspension of use, or elimination of personal information that identifies the individual, we will respond appropriately.
6. We will handle personal information in a manner that is appropriate to the individual's needs.
