

Website Policy

Please comply with the following terms and conditions when using this website and others operated by “Distributed Energy System with Hydrogen Storage” Social Implementation Research Group.

Recommended Browsers

The following browsers are recommended for use of this website.

- Microsoft Edge
- Google Chrome

Please note that this website may not be displayed properly if you use it with a different browser. Also, depending on browser settings, it may not be properly displayed even when used with a recommended browser. Please view this website with the latest version of your browser to ensure security and best results.

Copyright

All text, photographs, illustrations, and all other information on this website are the copyrighted property of “Distributed Energy System with Hydrogen Storage” Social Implementation research Group or third parties. You may not use any of the material (including reproduction, modification, distribution, public transmission, etc.) without permission from “Distributed Energy System with Hydrogen Storage” Social Implementation Research Group.

Links

Links to this website may be posted on your website without our permission. However, placing links on sites that are offensive to public order and morals or those engaged in illegal activity is strictly prohibited. When posting a link to this website, you must clearly indicate that the link is to the website of “Distributed Energy System with Hydrogen Storage” Social Implementation Research Group.

Access Logs

We use Google Analytics to analyze access to this website for the purpose of creating better content. Google Analytics uses cookies to collect information about users. This information includes the visitor's domain name, IP address, web browser and OS type, access date and time, etc., but does not include information that identifies the visitor.

Note: Access logs collected are managed in accordance with Google's privacy policy. Please refer to Google's website for details.

In the case of inquiries by e-mail, the sender's name, e-mail address, etc. will be used to replay to or confirm the inquiry. The relevant personal information will be used only for this purpose and will be managed appropriately to prevent leakage.

Disclaimers

- "Distributed Energy System with Hydrogen Storage" Social Implementation Research Group shall not be liable for any damages arising from, or in connection with, the use of its websites.
- "Distributed Energy System with Hydrogen Storage" Social Implementation Research Group assumes no responsibility for the content of external websites with links on our websites.
- Please note that the information on our websites (including this Website Policy) is subject to change or deletion without notice.
